body p a

Recording:

Wait for moderator:

Restrict student's access to the BigBlueButton session to only when moderator is present.

2. Participants

Please specify who can participate on the meeting.

Add participant:

Sakai properties

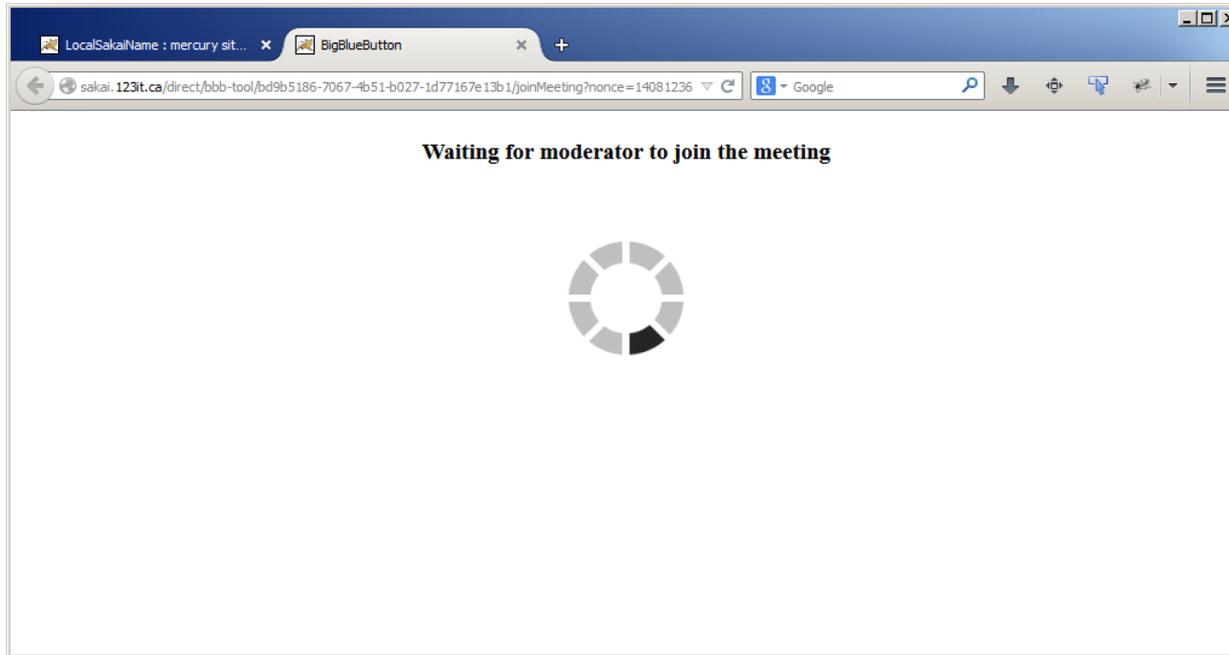

bbb.waitmoderator.enabled=true (if enabled shows the 'wait for moderator' checkbox)

bbb.waitmoderator.default=false (when creating a new meetings the checkbox will be checked if true or unchecked if false, its value is false by default)

bbb.recording.enabled=true (if enabled shows the recording checkbox)

bbb.recording.default=false (when creating a new meetings the checkbox will be checked if true or unchecked if false, its value is false by default)

Wait for Moderator

Teacher has joined

Student's browser automatically joins the session after teacher joins.

Hide the duration

body p a

Recording:

Wait for moderator:

2. Participants

Please specify who can participate on the meeting.

Add participant:

Setting of duration removed.

(This removes issues where teachers forget the duration and the BigBlueButton server ends the session)

Property setting

bbb.duration.enabled=true

iCalendar options

4. Notification

Please specify whether an updated email notification should be sent to all meeting participants.

Update participants:

Attach iCalendar

Display iCalendar alarm minutes before meeting starts.

Save

Cancel

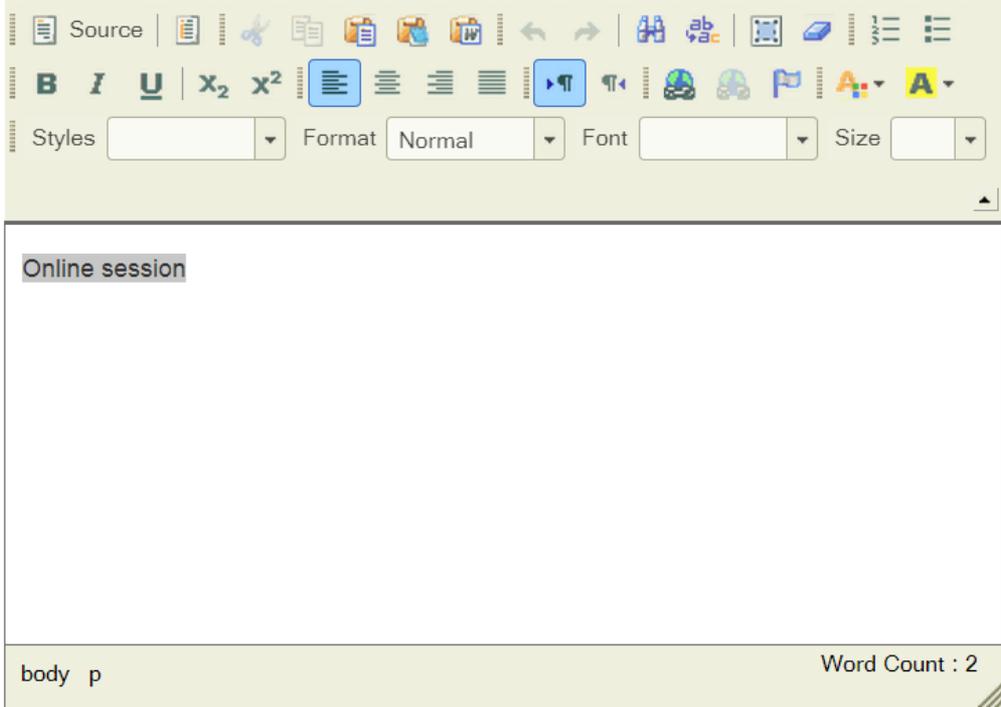

You can now choose whether the iCalendar attachment is sent.

The iCalendar attachment can also add an alert for 30 minutes before the session starts.

Use new Sakai Editor

title:

Description:

The screenshot displays the Sakai Editor interface. At the top, there is a title field containing the text "Testing dates from a different zone". Below the title field is a toolbar with various icons for editing, including Source, Undo, Redo, Bold, Italic, Underline, Subscript, Superscript, Bulleted List, Numbered List, Indent, Outdent, Link, Unlink, Table, and Font Color. Below the toolbar is a row of controls: a Styles dropdown menu, a Format dropdown menu set to "Normal", a Font dropdown menu, and a Size dropdown menu. The main text area contains the text "Online session" which is currently selected. At the bottom of the editor, there is a status bar showing "body p" on the left and "Word Count : 2" on the right.
